

FORKLIFT 101 TRAINING!

Whether you need a new skill or just want to brush up on your skills—here is what Forklift 101 will offer you:

- ◇ Classroom training which includes OSHA required Operators Safety Training Program.
- ◇ Forklift simulation training using software developed by Etcetera Edutainment along with a steering wheel and controls to practice your safety skills in real life situations.
- ◇ Real life experience utilizing PennWest's own test course, forklifts, products, docks and racking systems.

This course is three full days from 8 am—5 pm and is offered at our Corporate Training Center in Mount Pleasant.
